

SCREENING & FRAUD SUITE

Speed up approvals with efficient screening and fraud detection

Enhance tour confidence and accelerate leasing with ScreeningWorks Pro, built into your Voyager and CRM IQ workflow. This user-friendly suite verifies identities, validates incomes and helps identify low-risk residents for faster approvals.

REDUCE RISK

Verify identities for all tour types, onsite visitors and online leasing applications.

IMPROVE DECISIONS

Auto approve low-risk applicants with reliable rules-based models.

GET INSTANT RESULTS

Validate employment history, banking data and paystubs in minutes.

FEATURES

SCREENING & FRAUD SUITE

EFFORTLESS WORKFLOWS

Ensure a smooth leasing experience for staff and renters with data flowing seamlessly to and from Voyager and CRM IQ.

USER-FRIENDLY EXPERIENCES

Enable prospects to complete screening and verification on any device – smartphone, laptop or tablet.

INSTANT VERIFICATION

Get results from the entire screening and fraud detection process in just minutes.

ADVANCED BIOMETRICS

Leverage face comparison technology to match ID document photos with selfies for secure verification.

FLEXIBLE INCOME OPTIONS

Offer easy income verification through ADP payroll integration, open banking or paystub uploads.

PROTECT YOUR NOI

Minimize loss from evictions and legal actions by approving low-risk residents.

EASY REPORT ACCESS

Generate instant reports. Utilize historical and trending data to make informed future decisions.

SCREEN WITH CONFIDENCE

Fully integrated with Voyager and CRM IQ, the ScreeningWorks Pro suite simplifies the prospect-to-resident journey with automation. Reduce manual tasks, eliminate guesswork and protect your communities from fraud.
